

Welcome...

What better way to enjoy the summer than with a pint of refreshing cider?

This year, we will be hosting a 10-day cider festival from Friday 27 June to Sunday 6 July. The line-up will include up to 15 ciders from 15 producers across the southwest region and beyond.

Whether you enjoy a classic apple cider or have a penchant for something a bit fruitier, you are sure to find one to tickle your taste buds.

Hopefully, regardless of which cider you choose, we will all be blessed with that rarest of ingredients – some sunshine!

Download the Wetherspoon app and order food and/or drinks to your table. The perfect option when you've found that sunny spot in the garden.
